

# **George Tagnipes**

## **California Public Utilities Commission**

### **(CPUC)**

George joined the California Public Utilities Commission in 2001 and is one of four energy efficiency Supervisors in the CPUC's Energy Division.

He supervises a team that oversees the commercial sector, public buildings sector, lighting technologies, HVAC technologies, codes and standards programs, energy efficiency data and reporting, as well as energy efficiency evaluation, measurement, and verification studies.

Prior to becoming a Supervisor, George served as an interim Energy Advisor to Commissioner Carla J. Peterman.

George holds a B.S. in Managerial Economics from the University of California, Davis.
