

Jerry Trevino

Director, Board of Directors

Representing United Association

In 2017, Jerry Trevino was appointed to represent the **United Association (UA)** in WHPA. Trevino is the Director of HVACR for the District Council 16, which is an active member of the UA.

Jerry is serving a three-year term as WHPA Director representing UA.

The UA is made up of more than 300,000 pipe tradesmen in the construction industry across the United States and Canada who are committed to providing opportunities for members to build long, rewarding careers. The District Council 16 represents 14 local unions in Southern California and is a proud member of the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada.

Jerry has more than 32 years' experience in the HVACR trade working in air conditioning and refrigeration for both residential and commercial.

In 1996 he completed the Local Union 250 Five-Year Apprenticeship Program and began specializing in direct digital controls, variable speed drives, and centrifugal chiller teardown/overhauls.

For over 19 years, he taught the Journeyman Centrifugal Chiller and Absorber Teardown Class, the Fifth Year Apprentice Advanced Troubleshooting Class, and the Journeyman Core 1 and Core 2 classes.

In 2016 he became the Local Union 250 Organizer. Then in 2017, he was appointed the District Council 16 Director of HVACR Service. In addition, he currently serves as a trustee on three Boards and three Joint Apprenticeship Committees.
