

Scott Higa

Director, Board of Directors

Representing SCE

Scott Higa is the Energy Efficiency HVAC Program Manager at **Southern California Edison (SCE)**.

Since joining SCE in 2014, Scott has represented SCE on the WHPA and served on many WHPA Committees and Working Groups: Executive Committee, Council of Advisors, CQM Committee, CQM 180 User Guide Working Group, CQI Committee and Working Group, and Compliance Committee. He is currently serving a three-year term on the WHPA Board of Directors.

In his position at SCE, Scott oversees the development and delivery of SCE's Residential and Nonresidential HVAC energy efficiency programs and the Strategic Energy Management Industrial Energy Efficiency Program.

Prior to joining SCE, he was the Engineering Project Manager at Honolulu Seawater Air Conditioning, LLC; Senior Process Engineer at Standard MEMS, Inc.; Senior Process Engineer at Candescent Technologies; and Senior Process Engineer at Xicor Inc.

Scott received his B.S. in Materials Science and Engineering from the University of California at Berkeley and his M.S. in Ocean Resources and Engineering from the University of Hawaii at Manoa.
